Dear [Redacted]

As you wind down your duties in Public Affairs, I want to express my gratitude to you for the support you have given me in the speechwriting department in recent years.

Your products have been consistently well conceived and thoroughly professional. You made a large contribution to my representations to the public on behalf of the Agency. I am glad you didn't succumb to those in private industry who so admired your efforts they wished to hire you away from the Agency!

With this note go my best wishes for the future.

Sincerely,

A handwritten signature in black ink, appearing to read "William J. Casey".
